

Line Service Technician Seattle, WA 98108 (Job #BFILST001)

To Apply: Send your resume to careers@modern-aviation.com (referencing above Job #) or apply on [Indeed.com](https://www.indeed.com)

The Company

Modern Aviation (the “Company”) is a, private equity backed, platform company launched in 2017 that is focused on the fixed-based operator (“FBO”) sector. The Company has been rapidly growing through the acquisition of FBO locations and has significant additional committed capital from its sponsors to continue to grow the business through future acquisitions. Modern Aviation’s strategy is to acquire attractive locations and increase EBITDA at these locations through investment and operational and commercial improvements.

Primary Purpose of the Position

The Line Service Technician (LST) attends to all service needs as they relate to and transient aircraft, catering to the needs of the jet owners, guests, and crews. While a LST’s main job duties are focused upon the technical services provided to the aircraft (fueling, towing, parking, basic cleaning, etc.), exceptional customer service skills are absolutely vital for the successful completion of this role. The LST ensures that every arriving /departing aircraft receives all ground support services in a timely fashion with high energy and a smile.

Essential Functions

- Fuel aircraft in accordance with ATA specifications 103 and World Fuel quality control standards
- Tow and marshal aircraft
- **Ensure** aircraft are chocked, locked and secure
- Aircraft lavatory and potable water service
- Load/unload baggage
- Assist pilots with aircraft pre and post flight services
- Top off fuel trucks and fill out proper fuel farm paperwork
- Operate ground support equipment
- Assist other departments as required including facility cleaning and other tasks as assigned
- Provide basic security to people and property
- Direct people, **drivers**, and flight crews on ramp area
- Other duties and tasks as required

Minimum Qualifications:

- Must have and maintain a valid **Driver’s** License, restricted licenses are not valid for employment at Modern Aviation
- Pass FAA Drug and Alcohol testing, background checks and submit to random testing when required
- Complete NATA Safety First, Modern Aviation and other **job-related** training
- Strong interpersonal and communication skills, direct interface, over telephone and in writing
- Ability to make decisions with multiple objectives and implement in a safe, efficient manner

- Follow oral and written directions; plan and complete assigned duties on a regular schedule; and maintain good working relationships with others
- Must be available to work flexible hours including overtime when required
- Ability to perform a variety of manual tasks including but not limited to facility cleaning, vehicle washing, aircraft cleaning and vacuuming
- Ability to work without direct management supervision
- **M**ust be comfortable with working outdoors, day, night and in all weather conditions

Physical Requirements:

- Stepping up/down on ladders, tugs, and fuel trucks
- Lift baggage from ground level to waist and overhead while loading aircraft, up to 75lbs
- Bending and stooping to pick up tow bars and other equipment, up to 75 lbs
- Vision should be 20/20 or corrected to 20/20
- Stooping below wings to chock aircraft
- Standing and walking for extended periods of time, running when required
- Good hand-eye coordination with good peripheral vision
